

Invitation

The Scientific Association of Environmental Engineering together with the Department of Sanitary Engineering and Environmental Protection, operating at the Faculty of Civil Engineering, Mechanics and Petrochemistry at Warsaw University of Technology Branch in Płock, kindly informs that on **4th June 2020** will be held the **XXXVIII International Bolesław Krzysztofik Symposium - AQUA 2020**, on the Problems of Environmental Engineering.

The subjects of speeches are as follows:

1. WATER,
2. SEWAGE and SEWAGE SLUDGE,
3. WASTE,
4. SOIL,
5. AIR,
6. OTHER

The Organising Committee of the Symposium would like to invite students and researchers interested in issues listed above to participate in the Symposium.

The application for participation should be submitted no later than **30th March 2020** by sending Application Form to the e-mail address: **aqua@pw.edu.pl**

At the same time, the participants are required to send the summary of the speech in an electronic format .doc or .docx to the e-mail address: **aqua@pw.edu.pl** and one A4 paper copy, to the following address: **Zakład Inżynierii Sanitarnej i Ochrony Środowiska Politechnika Warszawska Filia w Płocku, ul. Łukasiewicza 17, 09-400 Płock** within the deadline of **30th April 2020**.

Participants may also prepare the poster in electronic version, in size 100x70 in portrait orientation. Posters will be presented on exhibition during the symposium.

Detailed guidelines for the summary of the speech preparation as well as the background for the poster and the application form can be found on the website: **www.pw.plock.pl** **Badania i nauka/Seminaria i konferencje**

In organizational matters, please contact **D.E. Bożena Piątkowska** (**bozena.piatkowska@pw.edu.pl**).

Authors of summaries of the speeches will receive Symposium materials for free. We can provide payable accommodation at the hall of residence, for participants from outside of Płock. The approximate cost of the accommodation is about 80PLN (2 days).
